

Neighborhood Naturalist Challenge

Take a picture or video of these nature happenings

1. A bird that is flying
2. A bug that is three different colors
3. A squirrel that is not brown
4. The most common tree in your neighborhood
5. A rainbow in a puddle, bubble, or sky
6. Sunrise and sunset from the same spot
7. Your shadow with another shadow
8. A flower with less than 6 petals
9. A rock that has your favorite color
10. Nature where you least expect it

...and just for fun...

Have a picnic on the grass

Take a walk on a trail made by an animal

Draw a picture of the moon each night for a week

Every day sit in a spot for 10 minutes and write what you see
